

Admission of Tuition Fee Paying Children to a Bundeswehr School Abroad (German Section SHAPE International School)

Information Sheet School Year 2020/ 2021

1. Attendance of Bundeswehr schools abroad

The Bundeswehr operates schools in foreign countries to provide school education to the children of Bundeswehr members serving abroad.

Attendance is gratuitous for the children of members of non tuition fee paying status groups¹ (1 and 3). The children of members of status groups 2 and 4 are subject to tuition fees.

The children of members of status groups 3 and 4 will be admitted on a space-available basis only. Admission will be at the discretion of the school principal following an eight-week trial period.

Bundeswehr schools impart the knowledge and skills required for attaining prescribed educational goals. This is effected by means of a standardized curriculum. Bundeswehr schools do not provide extracurricular care, all-day schooling or special education support. Cancelled lessons will be rescheduled, if possible. Any rescheduling of cancelled lessons will be fully at the discretion of the school.

Parents / legal guardians are to advise their children on adherence to school rules and the provisions under the School Education Act. A student may be expelled from school for severe violation of school regulations.

2. Obligatory tuition fees

Parents / legal guardians are obliged to pay the monthly tuition fee by the established payment dates.

As for parents / legal guardians paying the international administration fee (IAF), such fees will be offset against the tuition fees listed below in the respective amounts paid.

¹ See page 3 for definitions of status groups.

Tuition fees are as per the table below and are subject to annual adjustment.

	1st child and further children
Elementary school	391.00 € per month
Secondary level I	439.00 € per month
Secondary level II	487.00 € per month

Tuition fees are payable throughout the school year, including school holiday periods. Fees shall not be reduced on the grounds of cancelled lessons.

Tuition fees do not cover any additional expenses, as may be incurred for class field trips, for example. If a student joins or leaves school during the school year, tuition fees will be charged for the full month in which the student joins or leaves school.

3. Accident insurance and liability

Furnishing proof of adequate liability insurance and accident insurance is mandatory for students to be admitted to Bundeswehr schools abroad.

Students and parents / legal guardians shall exempt the school sponsoring body and all persons entrusted by it with student supervision and/or teaching tasks from any and all liability claims. This shall not apply to cases of intent or gross negligence.

Furthermore, the school shall not be held liable for any personal items brought to school (such as clothes, technical devices, bicycles, purses and items of value).

Students and parents / legal guardians will be jointly and severally held liable for non-compliance with any of the aforesaid obligations.

4. Points of contact

Points of contact are: the local Office of Defense Administration for issues concerning eligibility status, tuition fees and insurance rules; the school staff for questions as to a student's school career, curriculum-related issues, school operation and school life.
