## Accommodation information:

Munster is a small town with a limited hotel capacity. We have blocked most of the hotels for the time of the symposium. After registration you will receive a list of available hotels with contact data and a keyword for individual reservation.

## Transportation information:

The conference venue is in a military area with limited access. Therefore, transportation will be provided from the hotels to the conference venue and back each day. Participants are requested to carry along passport or personal ID.

Each participant, however, is responsible for her/his own transportation to Munster. Detailed travel information will be provided after registration.

## General Information:

- All presentations and information will be UNCLASSIFIED.
- The conference language will be English. No translation will be provided.
- The conference fee of EUR 200 will cover the Conference materials, the cost for the Icebreaker, lunch on all three days, coffee breaks, the conference dinner, transportation in Munster and the proceedings as download or, if desired, CD-ROM. Presenters will have to pay a 50% reduced conference fee only.
- Sorry, but we are only prepared to accept cash payment in EURO, no foreign currency and/or credit/debit cards.

## Presentation Information:

For security reasons, personal computers cannot be used for presentations. Files need to be submitted electronically, on CD-ROM or USB storage device prior to the conference. The files can be submitted as pdf-files or in Microsoft® PowerPoint-format (\*.pps / \*.ppsx or \*.ppt / \*.pptx).

Preferred poster size is 70 x 100 cm (upright), maximum size is DIN A0 (84.1 x 118.9 cm).
