

Instructions for Gaining Access to SHIELD Sessions

19th International Symposium on Interaction of the Effects of Munitions with Structures (19th ISIEMS)

Please note:

If you have permission to attend the NATO sessions, you automatically have permission to attend SHIELD sessions. You do not need to fill out this form, if you already filled out the NATO session attendance form.

To ensure that only properly qualified ISIEMS participants gain access to SHIELD technical papers and presentations at the 19th ISIEMS, the following steps are **ESSENTIAL**:

1. The "SHIELD SESSION ATTENDANCE FORM" on the next page must be completed and submitted to isiems@bundeswehr.org prior to attending the conference. All attendees wishing to attend SHIELD unclassified sessions must complete and submit the form, unless they already have clearance to attend NATO sessions. Attendees who are not directly employed by a defense agency (contractors, civilians of non-defense agencies, etc.) must have a defense agency endorser complete Part 3 of the form, requiring their signature. This indicates to the 19th ISIEMS organizers that a contractor or non-defense agency civilian has legitimate need and purpose to attend SHIELD sessions.
2. Upon registration, please present a passport or identification card. You will be provided with a badge, which allows you to enter SHIELD sessions.

SHIELD ATTENDANCE FORM IS ON THE NEXT PAGE BELOW

ATTENDANCE FORM FOR SHIELD SESSIONS

19th ISIEMS | December 9 - 13, 2024 | Bonn, Germany
